### Vicarage Garden

The vicarage garden has become badly overgrown. Cash remains tight and paying a professional would cost well over £500. There are a lot of amateur gardeners within our congregation and if a number of them could find a half day they could free up then a lot could be achieved by ourselves.

Ian Keys has agreed to try to get groups together on Saturday morning 6th August and/or Sunday afternoon 7th August. If you could help on either or both days, please give him a call on 07906 727706.

**Lord, we pray for your church.  
On this day when we celebrate the  
Transfiguration of our Lord,  
we pray that, filled with his light,  
we may know his glory and  
share his truth with our world.  
Amen.**

### Martinmass Fayre

We are delighted to advise that Gill Collins has agreed to head up the organisation of the Martinmas Fair this coming November. It will be held on 19th November.

For those who had already been thinking of running a stall, please let Gill know what you will be providing. Others in the congregation are encouraged to put on their thinking caps and run a stall that would delight adults and/or children. You may also know people outside our congregation who might like to sell their wares for a financial consideration for the church.

Please contact Gill on 07584308508 and let her know what you are going to do. And if you could help Gill in organising things, I am sure she would welcome your support.
